

Reliance Matrix to demo patented absence solutions at HR Tech 2023

September 13, 2023 10:00 AM Eastern Daylight Time

PHILADELPHIA--(BUSINESS WIRE)--Reliance Matrix, a technology-driven absence and employee benefits company, is proud to be a sponsor (Booth #611) of the Human Resource Executives' HR Technology Conference and Expo, October 10-13, in Las Vegas. An interactive demonstration of the company's two patented HR Tech solutions will highlight the conference.

"Reliance Matrix built its reputation as an employee absence leader on technology enabled service," said Patrick Trinsey, Chief Marketing Officer of Reliance Matrix, who will emcee the live demo. "That technology focus, and the endorsement of our most progressive clients and brokers, have created a culture of innovation that drives us to continuously raise the bar."

Conference attendees can look forward to detailed information and real-time demonstrations of Reliance Matrix's tech-enabled benefits and absence solutions, including:

- Absence Blueprint™, the patented software tool that empowers employees to easily plan leaves of absence based on their organization's specific policies, as well as all applicable state and federal leave laws.
- Absence Radar®, the patented technology that helps collect and surface critical employee absence and productivity information so employers can plan, staff and manage effectively.
- MatrixLink®, the purpose-built data integration platform that delivers employer and employee data directly to an employer's human capital management (HCM) or benefits administration system – including Workday® And more!

Together with representatives from select marquee clients, Chief Solutions Officer Gordon Smith will demonstrate Absence Blueprint and other cutting edge solutions, live at HR Tech on Thursday, October 12 at 3 PM Pacific Time, in Demo Theater #1.
